## Latest Announcement

### Phase Genomics wins \$1.5M for Proximity Ligation-Based AMR Tracking

NEW YORK – Seattle-based startup Phase Genomics announced Tuesday it has received a two-year, \$1.5 million grant from the National Institutes of Health to support the development of a rapid antimicrobial resistance tracking kit based on the firm's proprietary high-throughput chromatin conformation, or Hi-C, proximity ligation technology. ## Events

See you at  
**PAG XXVIII**

[Attend Workshop](#)

Meet our team Jan 11-15, 2020 at the [International Plant & Animal Genome XXVIII \(PAG\) meeting](#) and stop by **Booth 207** to learn about the latest proximity-ligation techniques for genome assembly, metagenomics, and more. **Attend our workshop on Monday, Jan 13th, 2020 from 4:00 PM - 6:00 PM in the San Diego Room.** Food and drinks will be provided at our workshop. Have a project in mind? Schedule a meeting with us to talk one-on-one!

## PRESENTATIONS AT PAGXXVIII

Speaker	Institution	Date	Time	Title
Fritz J. Sedlazeck	Baylor College of Medicine	1/13/20	4:00	Why so Pale and Wan: Comparative Genomics Based on a Platinum Cavefish Genome
Stephen Schauer	KeyGene USA	1/13/20	4:20	Translating Innovations in Reference Genome Phasing into Crop Improvement
Benjamin Auch	University of Minnesota Genomics Center	1/13/20	4:40	It Came from Planet Earth: The Genome of the Aquatic Invasive Zebra Mussel, <i>Dreissena polymorpha</i>
Cristian Gallardo-Escárate	(INCAR), University of Concepción	1/13/20	5:00	Free Two Birds with One Key: Chromosome Assembly and Metagenomes using Proximity-Ligation in the Sea Louse <i>Caligus rogercresseyi</i>
Derek M. Bickhart	USDA	1/13/20	5:20	Assignment of Virus and Antimicrobial Resistance Genes to Microbial Hosts in a Complex Microbial Community by Combined Long-Read Assembly and Proximity Ligation
Ivan Liachko	Phase Genomics	1/13/20	5:40	Connecting the Plasmidome, Resistome, and Virome to the Microbiome

Venue: San Diego Room

Time: 4:00pm - 6:00pm

\*Food and drinks provided

Phase Genomics, 1617 8th Ave N, Seattle, Washington 98109, United States, 833-742-7436
